

## COTTAGES

Items of Interest for Our Guests

2019

Welcome to Wajashk Cottages! We are pleased to have you  
as our Guest.

To make your stay with us as comfortable and safe as possible,  
we would be grateful if you could take a few minutes to read  
this guest manual.

---

Please know that we are a small team at Wajashk working hard to ensure your  
stay is as enjoyable and safe as possible. If there is anything we can help you  
with during your stay, please let us know and we will do our utmost to assist  
you.

Should you require assistance during the day, please contact Gordon or  
Terry at the office located in the main building. If they are not in, they will leave a  
note as to where they can be located.

We hope that you enjoy your stay with us.

Thank you.

# COTTAGE RENTAL

---

Wajashk Cottages are located on the shore of the Upper French River in the beautiful and hospitable Dokis First Nation. Wajashk Cottages is owned by Joe Livingstone and Marilyn Goodhue and operated by Gordon & Terry Hall.

We are located in Division 11 of the fishing regulation book. A copy is in each cottage and we urge you to familiarize yourself with the regulations.

## Rental Rates – 2018

	Large 2 Bedroom Cottage	4 Bedroom Cottage	5 Bedroom Cottage
Weekly Rate	\$630.00	\$1,050.00	\$1,280.00
Daily Rate	\$130.00	\$180.00	\$260.00

In order to guarantee your reservation, a deposit of \$200.00 is required by March 1. If you need to cancel your reservation, please do so before May 1 and your refund will be returned to you. Please note, in order to rent a cottage or boat you must be at least 25 years of age.

We work hard to get every cottage ready for new guests. We would appreciate it if all guests would double check their cottages to make sure they have not left anything behind. Please do your best to leave the cottage in the same condition it was when you arrived. Please put all garbage in the allocated bins (one near the office and the other behind cottage 7) and empty bottles and cans in the clear bags provided and leave beside the bins. We donate the cans and bottles to various community groups that do fund raising for local projects and events.

In Ontario, accommodations such as our cottages are non-smoking but you are free to smoke in the covered porch.

Check in time is 1:00 PM and check out time is 9:00 AM. Because the time window for us to prepare all the cottages (sweep and wash floors, clean the washrooms, clean the refrigerators, stoves and counters and prepare the beds) is tight, we ask that you please respect the check in and check out times.

If you do arrive early and your cabin is not yet ready, please feel free to launch your boat or claim your rental boat and motor. You can go fishing, cruising or just relax on the grounds.

# BOATS, MOTORS AND DOCKING

---

Boats are available for use during your stay with us for a reasonable daily rental fee, plus gas. Your boat comes with a full tank of gas and you will only be charged for the fuel you consume during your stay. You must be 25 years of age to rent a boat and motor and must show your Pleasure Craft Operator Card. If you do not have a card, you must complete a Rental Boat Safety Checklist and keep your copy with you while operating the boat. Most of our motors use mixed gas (50:1 ratio) but we do have some that use straight gas. We will gladly explain the differences and assist with the refueling. All boats have paddles, bailing can, anchor and rope and a safety kit containing a floating rope, whistle and flashlight. If you do not have lifejackets, we have regulation lifejackets and personal floatation devices available for a small daily rental fee.

Boats, Motors, Pontoon Boat, Paddle Boards

16' boat with 15 hp motor	\$80 per day or \$480 for 7 days (gas extra)
Pontoon Boat	\$200 per day (gas extra)
Paddleboard	\$20 per day or \$100 for 7 days
Life jackets and personal floatation devices	\$2 per day or \$10 for 7 days

Because of very high insurance premiums and deductibles, our boats and motors are not covered by insurance. Therefore, prior to using the boat and motor, we ask you to sign a waiver taking full responsibility for damages that may occur. Damages include, but are not limited to, lost anchors, damaged props, paddles, life jackets and PFDs, motor starter cord, throttle, choke and lower unit.

If you have brought your own boat and motor, there is a dockage fee of \$10 per day or \$60 per week for each boat. Parking for your vehicle and boat trailer is provided at no additional cost.

# WATER SUPPLY

---

The water supply at Wajashk comes from the French River. It is regularly monitored by Health Canada and it is safe to use. However, because the water supply comes from an open source, conditions can change quickly. Therefore, Health Canada has recommended that all of our guests boil the water prior to drinking, or to use bottled water. Should you prefer bottled water and you do not have any, bottled water is available in the office at a reasonable cost. A package of 24 bottles (12 litres) is \$5.00.

NOTICE: The water supply will be shut off Monday, Wednesday and Friday from 10:00 AM to 10:15 AM so we can change the filters.

# TOILETS and RUNNING WATER

---

Sometimes there is a tendency for toilets to continue running after flushing. Please ensure the toilet stops running prior to leaving your cottage, otherwise, if the toilet continues to run the holding tank may become prematurely full. If this happens, the toilets and sinks will not drain. We have the tanks pumped on a regular basis and if an emergency occurs (like a prematurely full tank) we will call for a pumpout. However, the truck may be already scheduled for other calls and may not be able to come immediately. We apologize in advance for this potential inconvenience.

## LINEN SUPPLY

---

Effective this year, bed linens are not included in the weekly rental rate. If you do wish to use our bed linens, please let us know in advance so we can have your accommodations fully prepared. The cost per bed is \$20 per week.

All linens, including towels and blankets, are meant for indoor use only. If you do require additional towels for indoor use, please bring the soiled towels to the office and we will be happy to exchange them with clean ones.

If you need to do a laundry of your personal items, please bring them to the office. You are welcome to use our laundry facilities. The washing machine is \$3.00 per load and dryer is \$2.00 per load. Due to the large amount of laundry we do Saturday and Sunday, we can only offer this service from Monday to Friday.

## HEATERS

---

All cottages have either baseboard heaters or space heaters. We ask that all our guests please be mindful when using the heater to regulate the temperature of your cottage.

Should you wish to run the heater, please ensure that you close all doors and windows, and keep the temperature set to LOW (this will allow the heater to maintain a steady temperature in the cottage). If you prefer to open the windows for fresh air please ensure that you turn the heater to OFF.

We greatly appreciate your cooperation on this.

# NIGHTCRAWLER STORAGE

---

We do sell worms but some clients do prefer to bring their own. For sanitation and health reasons we ask that you please do not store your worms in our fridges in your cottage. You are welcome to store them in our worm fridge but please place your name on the container.

We thank you for your cooperation for keeping our cottage fridges worm and bait free.
